

# SHOP & SUPPORT OLSON SCHOOL!

## amazon.com<sup>®</sup>

Anytime you shop on Amazon, Olson will receive 0.5% of your purchase!  
Simply go to [Smile.Amazon.com](https://www.smile.amazon.com) and select "Paul J. Olson Elementary" as your nonprofit.

- Amazon Smile is exactly the same as Amazon -- same products, prices, and service. Even your account login and password are the same. The only difference is that Amazon Smile earns money for our school, so make sure to use Amazon Smile for all of your purchases.
- You only need to choose Olson as your nonprofit on your first visit to Amazon Smile. Then, EVERY time you shop on Amazon Smile, your purchases will benefit Olson School.

Olson will receive 1% of all purchases made at Target using your REDcard!  
It takes less than 2 minutes to register. Go to [www.target.com/tcoe](https://www.target.com/tcoe), enter your REDcard number, and choose Olson as your designated school. (Target School ID #126830).

- Last year, we had 50 REDcards linked to Olson and we made almost \$800.
- As an added bonus, every time you use your Target (debit or credit) REDcard you get 5% off your total purchase.
- Don't worry; if you do not have a REDcard, there are brochures included with this flyer.

## IT ALL ADDS UP!
